

Hockey Night in Pittsburgh

I'll be tail-gaiting five hours pre-game
to get in the right frame of mind
With fans who wear black and gold proudly
And on Beer and Nachos we'll dine

Lemieux began the winning tradition
bringing Stanley's Cup to our town
Then to keep hockey in our city
He laid his own money down

(CHORUS)

|It's a Hockey night in Pittsburgh |
|And the Penguins are on the ice |
|Pittsburgh's a great town to live in |
|Another Cup sure would be nice|

One legend retires another is born
Crosby take the reigns from Lemieux
with Malkin, Staal, Gonchar and Malone
got brother Laraque and Ruutu too

Andre Fleury and Conklin in net
All with goaltending skills so good
If one goes down another steps up
Just like you knew they would

(CHORUS)

Be at the Sports Bar a few hours pre-game
We'll get in the right frame of mind

With fans who wear black and gold proudly
And on Beer and Nachos we'll dine
