

PNC Park

Baseball has had many homes in Pittsburgh PA
at Exposition Park the Pirates first played
In 1909 the Pirates to Oakland they moved
sharing Forbes Field with the Homestead Gray's

Forbes Field served the Pirates well for 61
years

Three Rivers Stadium 30 years more
then the finest ballfield in the whole USA
would make it's home on Pittsburgh's North Shore

Chorus:

PNC Park

what a beautiful skyline

PNC Park

not a bad seat in the house

PNC Park

take the family for a good time

You'll enjoy the view

and watch the Buccos win a few

at the Pirates home PNC Park

all played these fields in our home town
And now is up to Sanchez, Bay and Gorzelani
to get the fans to come on down...to

(chorus)

We'll have a great time tonight
at the old ball game
