

Steeler Sunday

We'll be tailgating five hours pre-game
To get in the right frame of mind
With fans who wear black and gold proudly
And on beer and kielbasa we'll dine

Tough football's a Steeler tradition
From Noll to Cowher to Tomlin
Although their personalities differ
Winning football they all have in common.

Chorus

cause it's a great day for football
when big Ben is on a roll
Pittsburgh's a great town to live in
As we prepare for the Super Bowl

Sunday services are held at Heinz Field
Pastor Tomlin the faithful follow
To rebuke the Raven, Bengals and Browns
God blessed us with Troy Polamalu

Our Steelers father the "Art" in heaven
Hallowed be thy GAME
Big Ben has come, he'll get it done
On Earth he's number seven - amen

Chorus

We'll be tailgating five hours pre-game
To get in the right frame of mind
With fans who wear black and gold proudly
And on beer and kielbasa we'll dine
